## REGULATIONS FOR PORTERS.

*As no rate of Wages for Porters has been fixed by the Magistrates, since March, 1798, the following rates are now generally paid.*

|                                                                                                                                                                                                                                   |       |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to any other place therein,                                                                                  | s. d. |
|                                                                                                                                                                                                                                   | 0 2   |
| Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to any other place therein, if delivered to the Porter after nine o'clock at night,                          | 0 3   |
| Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to Anderston, Bridgetown, New Basin of the Canal, or any place not exceeding an English mile from the Cross, | 0 3   |

|                                                                                                                                                                           | s. | d.             |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|----------------|
| If delivered to the Porter after eight o'clock at night,                                                                                                                  | 1  | 0              |
| For running an express with a letter, or small parcel, for every English mile outwards in day time,                                                                       | 0  | 6              |
| If in the night time, that is, after eight o'clock at night,                                                                                                              | 0  | 6              |
| Carrying a back load, not exceeding eight English stone, from any ware-room in Glasgow, to any other ware-room or calender, where the distance does not exceed 500 yards, | 0  | 4              |
| Do. where the distance exceeds 500 yards,                                                                                                                                 | 0  | 6              |
| Carrying a back load, not exceeding 8 stone weight, from the Cross to the Broomielaw, Calton or Gorbals, or the like distance,                                            | 0  | 6              |
| Carrying any load not exceeding $2\frac{1}{2}$ hundred weight, on a wheel barrow, for the same distance,                                                                  | 0  | 9              |
| For weighing a ton of goods, such as iron, &c. for the first ton,                                                                                                         | 1  | 0              |
| For every other ton,                                                                                                                                                      | 0  | 10             |
| For weighing each bag of cotton                                                                                                                                           | 0  | $1\frac{1}{2}$ |
| For carrying each bag of cotton out of a cellar, and putting it on a cart,                                                                                                | 0  | 3              |
| For taking each bag of cotton off a cart, and putting the same into a cellar,                                                                                             | 0  | 3              |
| N. B. Two-thirds of the foregoing rates to be paid for pockets and bags of cotton, not exceeding one and a half hundred weight.                                           |    |                |
| For a day's work at articles not specified as above, to consist of ten working hours,                                                                                     | 5  | 0              |
| For a week's work,                                                                                                                                                        | 20 | 0              |
| For the first hour's work, when not employed a whole day,                                                                                                                 | 0  | 8              |
| For each subsequent hour's work, when not employed a whole day,                                                                                                           | 0  | 6              |
| For carrying a load of two bolls of meal, for each stair,                                                                                                                 | 0  | 2              |
| For carrying a load of two bolls of meal into a closs,                                                                                                                    | 0  | 2              |
| For each night's watching                                                                                                                                                 | 4  | 0              |

## REGULATIONS FOR COAL PORTERS,

*As fixed by the Magistrates, 15th January, 1807.*

|                                                                                                                                                 | s. | d.             |
|-------------------------------------------------------------------------------------------------------------------------------------------------|----|----------------|
| For carrying a cart of coals up stairs, where the distance from the stair to where the coals lie is not more than 60 feet, for the first stair, | 0  | 3              |
| For every other stair,                                                                                                                          | 0  | $1\frac{1}{2}$ |
| For carrying a waggon of coals up stairs, the same distance as above, for the first stair,                                                      | 0  | 6              |
| For every other stair,                                                                                                                          | 0  | 3              |

|                                                                                                                                      |   |               |
|--------------------------------------------------------------------------------------------------------------------------------------|---|---------------|
| For carrying a cart of coals from any street or lane, to a cellar, within twenty feet from where the coals lie, if not down a stair, | 0 | 2             |
| If down a stair, an additional                                                                                                       | 0 | $\frac{1}{2}$ |
| If above twenty, and not exceeding sixty feet,                                                                                       | 0 | 3             |
| For every additional stair,                                                                                                          | 0 | 1             |
| For half the distance, and so in proportion,                                                                                         | 0 | $\frac{1}{2}$ |
| For carrying a waggon of coals from any street or lane, the same distance as above, into a cellar, if not down a stair,              | 0 | 4             |
| If down a stair,                                                                                                                     | 0 | 5             |
| If above twenty, and not exceeding sixty feet,                                                                                       | 0 | 6             |
| If down a stair,                                                                                                                     | 0 | 7             |
| For every additional sixty feet, for each cart,                                                                                      | 0 | $\frac{1}{2}$ |
| For each waggon,                                                                                                                     | 0 | 3             |

N. B. Coal porters to report their names to the Town Clerks, and to take out a Badge, which they shall wear, under a penalty of 5s. They shall be furnished with a copy of the Regulations, under a penalty of 5s. Refusing to work when not engaged, or demanding more than specified in the Table, 5s.

## TABLE OF FEES FOR CARTERS,

*As fixed by the Magistrates, June 8th, 1808.*

The division of the City into districts, according to which the Rates of Carriage after-mentioned shall be exigible.

*First District.*—To or from the Broomielaw, to Stockwell-street, Glassford-street, and Frederick-street, up to the north side of George's square, including both sides of these streets, the whole of George's square, and every part of the city west of these streets; also the upper side of George-street, west of Frederick-street.

*Second District.*—From the streets last mentioned, along both sides of George-street, to High-street, along Trongate and Gallowgate, to the Spoutmouth, including both sides of High-street, from George-street southward; also, St. Andrew's square, and all the streets and lanes between the said Spoutmouth westward, to the first line of division.

*Third District.*—All the streets, lanes and other places, within the City, to the east of the second line of division, and to the north of George-street.

The following Rate of Cartage shall be payable in the said respective Districts.

|                                                                           | <i>To any Place in Districts</i> |    |       |    |       |    |
|---------------------------------------------------------------------------|----------------------------------|----|-------|----|-------|----|
|                                                                           | No. 1                            |    | No. 2 |    | No. 3 |    |
|                                                                           | s.                               | d. | s.    | d. | s.    | d. |
| For a hhd. of sugar, pipe of wine or punchon of rum, from the Broomielaw, | 0                                | 11 | 1     | 0  | 1     | 2  |
| Do. from the Weigh-house,                                                 | 1                                | 0  | 0     | 11 | 1     | 0  |

|                                                                                                                                                        | <i>s.</i> | <i>d.</i> | <i>s.</i> | <i>d.</i> | <i>s.</i> | <i>d.</i> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|-----------|-----------|-----------|-----------|-----------|
| For two puncheons of beans or meal, two bales of yarn, or other large casks or bales, or grain in bags, weighing about 20 cwt. from the Broomielaw,    | 1         | 2         | 1         | 4         | 1         | 6         |
| Do. do. from the Weigh-house,                                                                                                                          | 1         | 4         | 1         | 2         | 1         | 4         |
| For six casks of ashes, or six large bales of Cotton, or any number of barrels or bales, weighing about 18 cwt. from the Broomielaw,                   | 1         | 2         | 1         | 4         | 1         | 6         |
| Do. from the Weigh-house,                                                                                                                              | 1         | 4         | 1         | 2         | 1         | 4         |
| For a Cart Load of Cork, Staves, Dried Hides, or any other commodity that requires a considerable time to load and unload, from the Broomielaw,        | 1         | 4         | 1         | 6         | 1         | 8         |
| Do. Do. from the Weigh-house,                                                                                                                          | 1         | 6         | 1         | 4         | 1         | 6         |
| For a Cart Load of Furniture, or similar articles that require long time to load and unload, for the first hour, and so proportionally, for each Cart, | 1         | 0         | 1         | 0         | 1         | 0         |
| And for every other hour, and so proportionally, for each Cart,                                                                                        | 0         | 9         | 0         | 9         | 0         | 9         |

In carrying Grain, the Carters shall always find sufficient Bags, and carry the whole of their load up one storey, or into a ground flat, without any assistance from the employer.

When the Cart Load is to be carried up more than one storey, the Carter shall receive 2d. per Cart additional; but in this case the Carter may carry up half the load at his own expense, his employer being at the expense of carrying up the other half.

The Carter in all cases shall assist in loading and unloading, but must always remain by his Cart; and when able so to do, he must load and unload the Cart himself.

All such quantities of Goods as are to be considered as a single Cart Load, and likewise all Rates and Fares not before specially provided for, in case of any dispute, shall be settled by the Sitting Magistrate.

The following Rules and Regulations shall be observed by the Carters, and shall be strictly enforced in all time coming.

1st. Every Carter shall enter his name and place of residence, in a book to be kept for that purpose, in the Town Clerks' Chambers, and must find security for the faithful and honest discharge of his duty, under a suitable penalty; and any Carter plying in the streets and neglecting to find such caution, shall forfeit a sum not exceeding two pounds sterling for each offence.

2d. Every Carter shall be furnished with a Badge, which will be numbered according to the order in which his name is entered. These badges must be worn constantly by the Carters when at work; and they must immediately get the number which is on the Badge, painted on some conspicuous part of their Carts, under a penalty of ten shillings for each offence.

3d. Every Carter who shall refuse to work when not engaged, or who shall demand higher Fares than those specified in the foregoing Table, shall be liable to a penalty of ten shillings for each offence. And every Carter who says he is engaged, shall, upon being asked, specify the person by whom, and the hour at which he is engaged, and he shall not refuse to be employed in the interval between the time he is so asked, and the hour of his engagement, under a penalty of ten shillings for each offence.

4th. Every Carter shall be furnished with, and shall always carry about with him a copy of these Regulations and Fares, which he shall produce and shew, when required, to his employers, under a penalty of ten shillings for each offence. And,

Lastly, Every Carter is hereby enjoined, strictly to attend and conform to the Regulations in the Act 12 Geo. III. Cap. 45, also to the Regulations with regard to the carriage of Timber, in the Act 33d. Geo. III. Cap. 104, under the several penalties therein mentioned.

Extracted from the Records of Council, by

JAMES REDDIE.

---

### *Managers of the POLICE of the City of Glasgow.*

The Lord Provost, three Baillies, Dean of Guild and Deacon convenor, *ex officio*, and twenty-four Commissioners, chosen by Inhabitants possessing houses of £10. yearly rent and upwards.

The City is divided into twenty-four Wards, or Districts; under the inspection of twenty-four Commissioners, chosen upon the last week of July annually. James Mitchell, Master of Police; 15 officers, 8 of whom are Constables, and 74 Watchmen.

### REGULATIONS.

A Constable with four Officers attend regularly at the Police Office, Albion-street, to call the roll of the Watchmen, half an hour before they take their stations, and mark such as are absent. The Constable and Officers are thereafter to patrol the streets until between two and three in the morning, or longer if necessary, to observe if the Watchmen are doing their duty; to apprehend vagrants and disorderly persons; and to give, in writing, a report of the whole transactions, in the morning, to the Master of Police.

The Watchmen are to be on their respective Stations, in the months of April to September inclusive, at 10 o'clock at night, and continue till 5 in the morning; and in the months of October to March inclusive, at 9 o'clock at night, and continue until 6 in the morning.

*N.B.* If the inhabitants are attentive to keep up their numbers in a legible state, it will be easy for the Publisher of this work to give the shortest, and at the same time most accurate, direction to their lodgings; even where these are within Closes, by inserting their name, Street-number, and interior number, all in a line, E. G. John Brown, No. 22, 11, High-street; that is, in-Close, No. 22, and No. 11, within that Close. And they will observe, that if they suffer their numbers to be obliterated, and do not immediately replace them, they incur penalties.

The Engines for extinguishing fire, are under the management of the Commissioners of Police; keys for them to be found in the Police-Office.

---

**POLICE OF GORBALS**, under the management of three Baillies and twelve Commissioners, chosen by inhabitants possessing houses of £5 yearly rent, and upwards. The barony is divided into twelve Wards, under the inspection of the Commissioners. Robert M'Hendry, Master of Police.

The Watchmen to be on their stations at 10 o'clock at night, and to continue until 5 o'clock morning, from April to September, inclusive, and until six o'clock from October till March, inclusive.

The Sergeants on duty to patrol the streets alternately during the night. To see that the Watchmen are doing their duty, the lamps burning properly, to apprehend suspicious or disorderly persons, all of which, is to be entered in a book for the inspection of the Master of Police in the morning, and the Commissioners at the weekly board.

The funds are raised from the yearly rent of subjects; rented or valued at £2 and under £4 Sterling, yearly, 6d. per £ Sterling.—£4 and under £6, 8d. per do, at £6 and under £9, 10d. per do. at £9 and upwards, 1s. per do.

Engines for extinguishing fire, under the management of the Commissioners; keys, and other appurtenances for them to be found in the Police Office.
